## YOUR NATURAL STYLE PROFILE

The Natural Style Profile is the foundation for understanding your personality style and behavioral preferences. It represents how you view the world, receive communications, form relationships and respond to stressful or uncomfortable situations. Your natural style is usually established in early years and changes slowly, often when your normal behavior

# YOUR CLRE STRENGTHS

## Natural Style Profile

The key to understanding your basic style is the adaptive quality of your nature. Adaptive individuals are known for their ability to adjust to new situations and circumstances.
